Seeking an entry level role in java Back-end and Front-end development in a reputed organization where I can leverage my technical skills and knowledge to tackle challenging assignments that contribute to the organization's success.

INTERNSHIPS

JAVA PROGRAMMING INTERNSHIP | MotionCut

I have completed my internship at MotionCut as a Java Developer. The duration of internship was 30days which I successfully completed on 1st October 2024. In this internship I have worked on developing a Java application.
Tools: Java, Springboot, Eclipse, Mysql, Git, GitHub

WEB DEVELOPER INTERNSHIP | Exposys Data Labs

Completed 30 days internship as a Web Developer at Exposys Data Labs, successfully concluded on 18th December 2024, where I worked on developing a Java application.
Tools: Java, Springboot, Eclipse, Mysql, Git, GitHub, Html, Css, JavaScript

PROJECTS

Online Book Store
Tools: Java, Springboot, Eclipse, Mysql

Developed an Online Book Store application using Spring Boot, enabling seamless browsing, purchasing, and management of books with integrated database support.

Responsibility:

  Developed RESTful APIs for book catalog and order management; integrated a database for efficient data handling and user transactions.

Pustak Library Management System |(PLMS)
Tools: .net Framework, VisualStudio, C#

Developed Pustak Library Management System (PLMS) using .NET Framework, C#, and Visual Studio to efficiently manage library operations, including book inventory and user transactions.

Responsibilities:

- Designed and implemented core functionalities for managing book inventory, user accounts, and transaction tracking using C# and .NET Framework.
- Collaborated on front-end development in Visual Studio to create a user-friendly interface for seamless library management operations.

EDUCATION

Master of Computer Applications (MCA)
East West Institute of Technology, Bengaluru (VTU) — 2023-2025

Bachelor of Computer Applications (BCA) — 75.62%
Kamadhenu Bca College, karwar (KUD) — 2020-2023

Pre-University Course (PUC) — 2018-2020
Government H Benne PU College, Kumta

Secondary School Leaving Certificte (SSLC) — 84.32%
Government High School Nadumaskeri, Kumta — 2018

SKILLS

- Programming Language:Java, C, Python, SQL, Java-script
- Databases: MySql,PHPMysql, PostgreSql, Oracle
- Tools: Exel, GitHub, Eclipse, Git, XAMP
- Frameworks: SpringBoot, Hibernate

- Problem solving
- Team Management
- Communication, Quick Learner
- Leadership, Mentoring.

CERTIFICATIONS

- Java Full-stack Development Master-class | UDEMY
- Java for Beginners | Infosys SpringBoard
- Fundamentals of Python | Infosys SpringBoard
- Data Structures and Algorithms using Java | MOOC(VTU)
